There's a movement toward naturalness that's affecting our lives: renewed interest in the natural beauty of our surroundings on earth and simplicity in life. Walk alongside a river or sit and enjoy the company of friends. These things are so simple, yet they can mean so much.

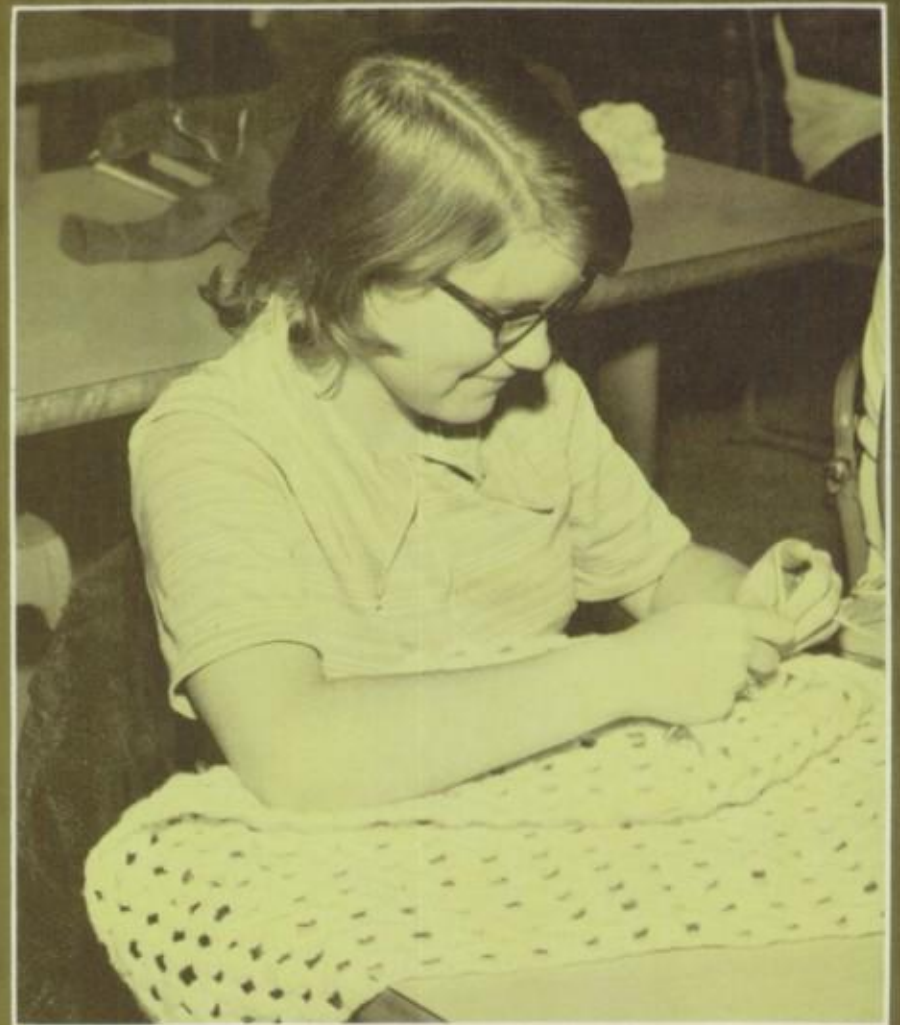

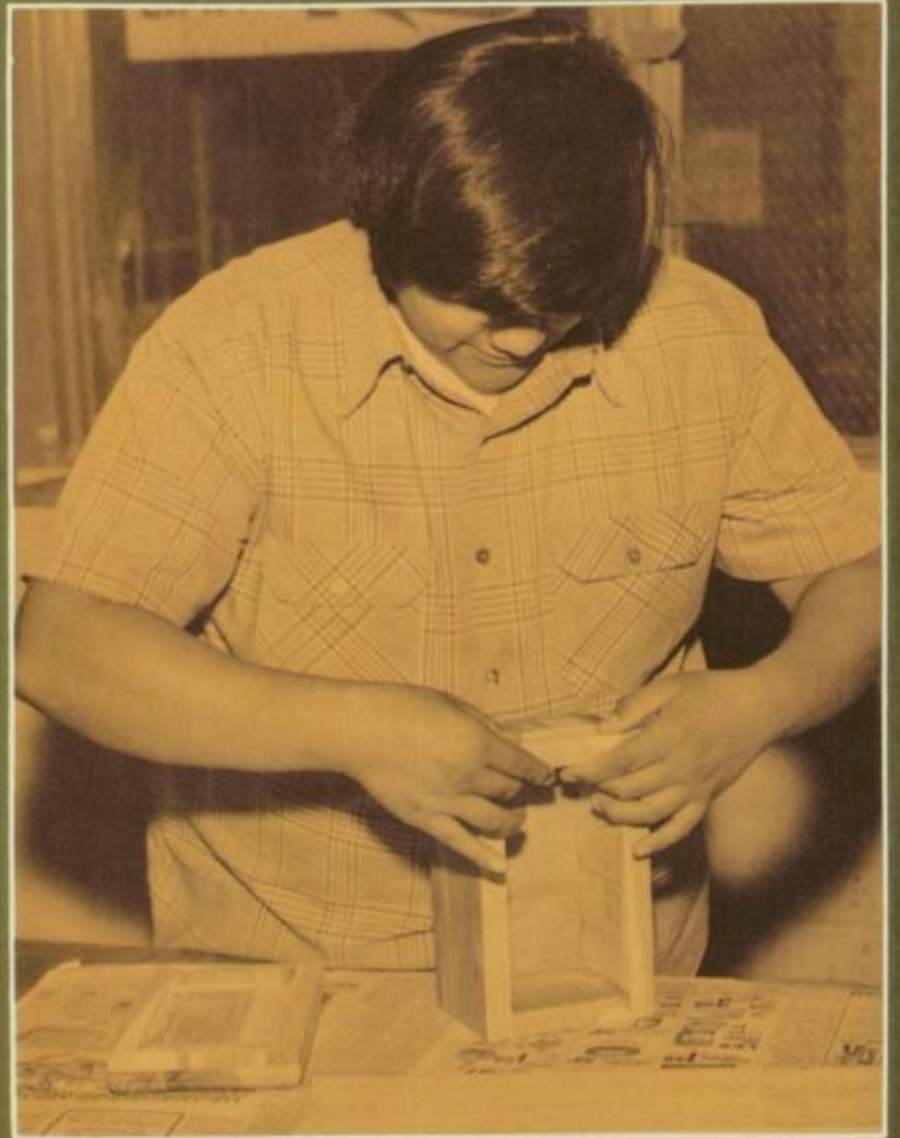

New coaches joined the Pirate staff; a new sport, soccer, was added to the scene. Track made a comeback, and girls competed in sports with boys. Many varsity players were old hands, but a large freshman class provided new talent.

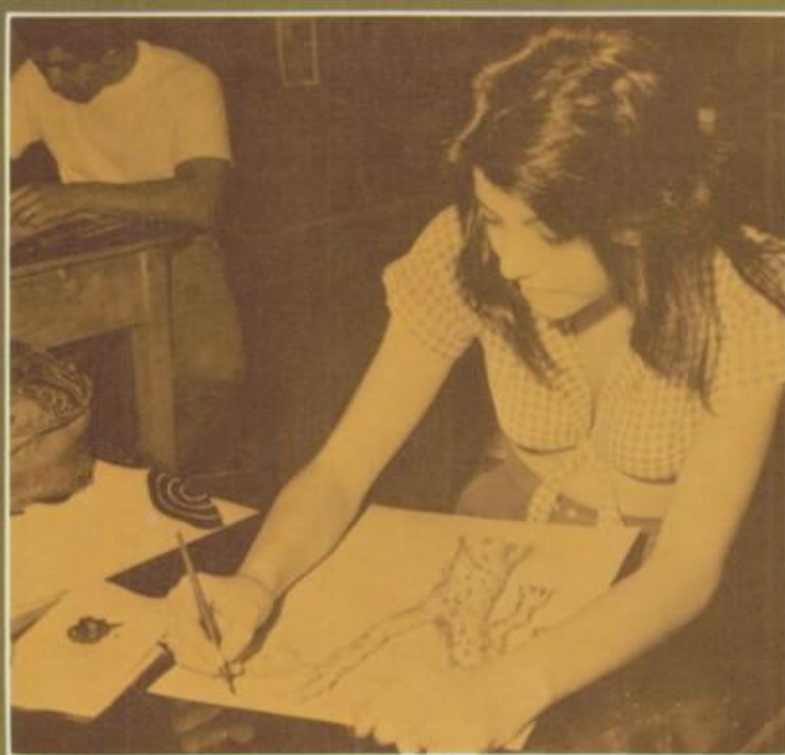

Expressing oneself in his own kind of way seemed to be an important part of the lives of many Pirates. Whether they were creating a work of art or making beautiful music, their innermost selves were reflected in the result.

Despite declining interest in classes such as physics and math analysis, many students at PHS were preparing to enter college after graduation. Enrollment in language arts classes continued as students sought understanding of themselves and the world around them.

Involvement in vocational courses increased at PHS. Long-ago dreams of becoming great scientists or engineers were discarded for more conventional plans as students prepared to enter jobs.

Parliamentary Procedure Enforced

Starting the year, ASB officers and student council members followed the parliamentary procedure laid down by "Robert's Rules of Order." Enforcing this was the newly appointed adviser and activities director, Mr. Dennis DeNeve. This practice enabled students to handle business more efficiently.

During the school year, many problems such as vandalism, racial tension, and student apathy confronted the group. The student council tried hard to find solutions to the many problems on campus.

Following tradition, Homecoming was scheduled as the last game of the football season in late November. Due to a power failure and rain, the ceremony planned by Comm. of Entertainment, Debbie Pierce, was partially ruined.

A new activity this year was the "Valentine Sweetheart Dance," planned by Sue Harrelson.

First Four-Year Pirates at PHS

As the first class to enter PHS as freshmen, the class of '74 was able to have many successful activities. As sophomores they won the spirit stick and as juniors got their class rings to be worn in memory of their years at PHS. They were effective in their fund-raising projects for senior events. After being president for two years, Bruce Bonanomi was elected once again to carry the Pirates through their senior year.

Juniors to Seniors: the First Step

When all the juniors stampeded into senior square in June of '73, there were plenty of stubbed toes, bruised elbows, and an occasional shove. They were sworn to guard senior square with their lives, and then came the traditional turning of the rings, signing of the yearbooks, and hugs of good-bye as the seniors sadly relinquished their hold on their cherished meeting place.

Something Old, Something New

Through the years just about every school has acquired traditions and events it holds dear. At Paramount the Pirates have the Homecoming where the alumni can visit their friends—with misty eyes for the more sentimental. Other traditions include the Senior Prom, Senior Signs, and Slave Day. Also there are the rather unique Wacky Olympics to keep everyone in stitches (which are sometimes required by the participants) and the 50's day, which was new this year and may inspire some interesting events in years to come because of its popularity.

Homecoming Spirit "Rains" Over All

This year's homecoming not only brought the crowning of Queen Sally Bitner but also a display of fireworks and rain.

Friday night's game was one to remember. Along with some rain and a power failure, the half-time was lit with a firework Pirate. The queen and her court rode onto the field in vintage Model T cars.

Saturday night ended the homecoming festivities with an "Autumn" dance at Cerritos College featuring Chocolate Hare. It was the first homecoming dance to be held away from the school.

Tic-Tac-Toe in 3-D Style

The "Tic-Tac-Toe Tourney," held yearly in Mr. Stuart Walling's room, began with twenty-eight students participating. To be declared the winner, the player had to be first to occupy four spaces in a row either vertically, horizontally or diagonally. At the end of the elimination matches between winners and runners-up, the champion was declared and received instant notoriety.

This was the third year in a row that Mr. Walling had sponsored this activity. Rumor had it that last year's winner, Joaquin Maldonado, could not participate in this year's matches because he had defeated the sponsor, and another rumor had it that this first rumor was true!

Transcending The Commonplace

Yoga exercises around an imaginary pond in Mr. Odell Scott's English Honor's II class made the meaning of Thoreau's WALDEN POND easier to understand. The class was studying transcendentalism, the philosophy that seeks to discover the nature of reality instead of the material universe. Mr. Odell Scott felt that learning could be more enjoyable with this approach.

Remember the '50's?

Students at Paramount lengthened their skirts, slicked back their hair, and rolled up their levis in remembrance of the 50's. Snack activities included a dance contest with several teachers showing their ability to do the Jitterbug and other 50's dances. Along with the fashion parade came an assembly put on by Trow Productions. It was the "History of Rock and Roll" which featured people and groups including a film about Janice Joplin and Jimi Hendrix. The narrators for this assembly were Bobby Rich, a disc jockey from KHJ, and David Neilstone. This was the first assembly of its kind at PHS. With standing room only left in the gym, the assembly proved to be quite a success.

Doors, the New Hinge on Campus

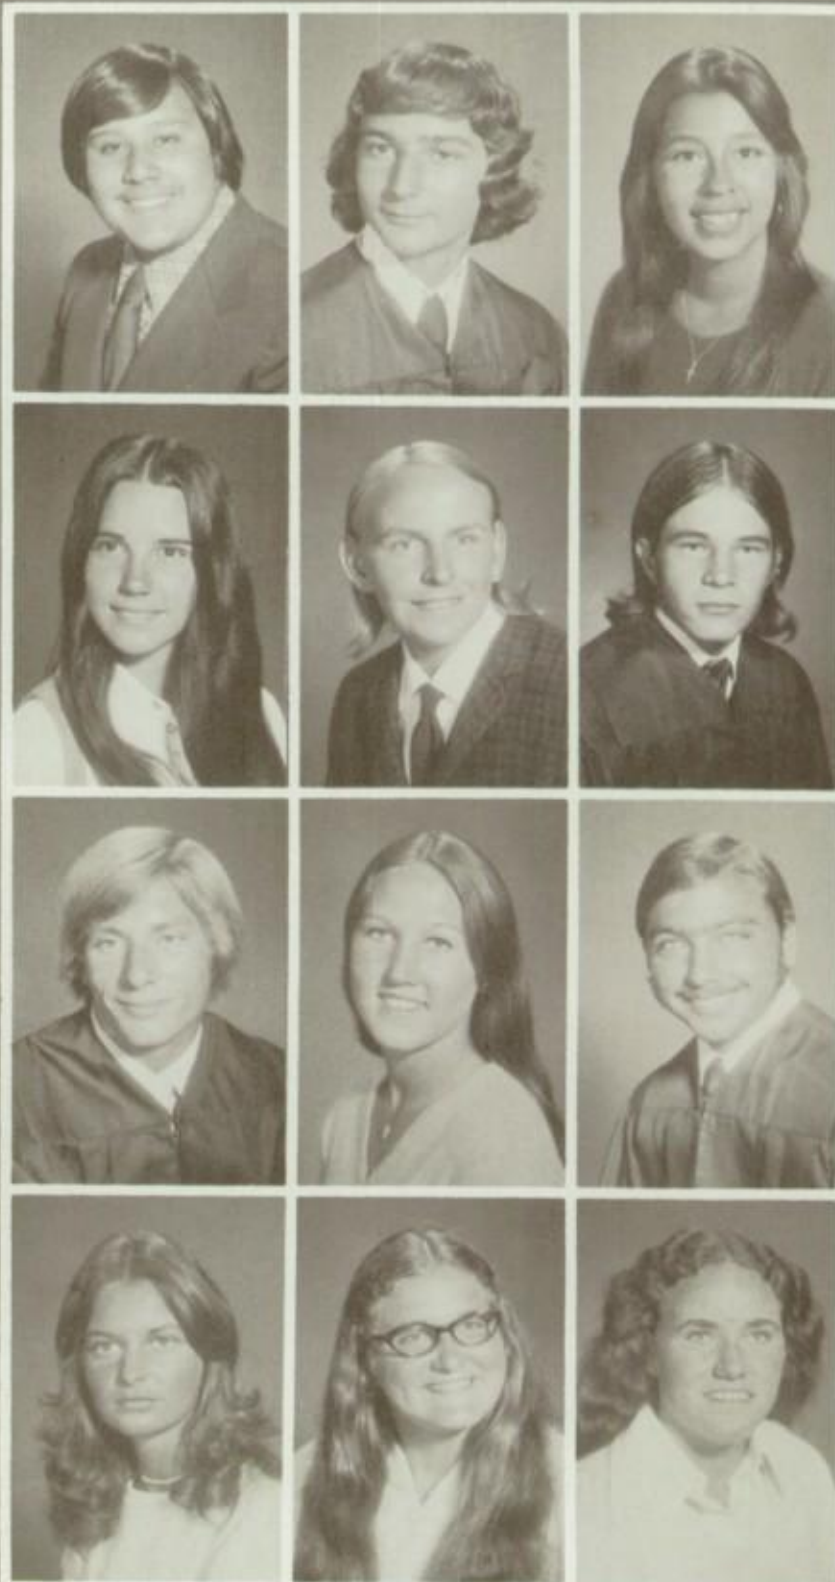

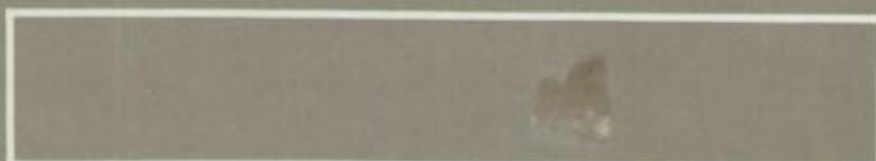

To add a new face to PHS, many of the doors on campus were carefully festooned with colors and shapes to fit the personalities of the classrooms.

Mr. Gene Myers' and Mr. Richard Orcutt's students started this custom in 1971-72. Since then, several other classes decided to take up the challenge and add creative designs to their doors.

Special Times in '74!

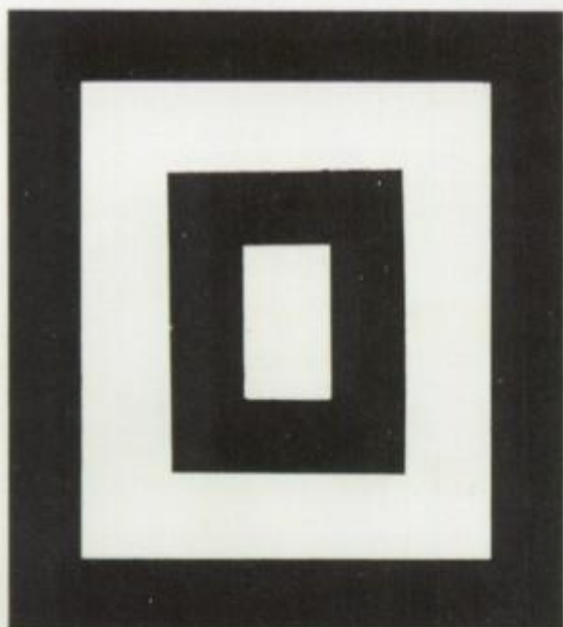

As the long awaited senior events finally became a reality, they took on a special meaning for seniors. The good times they had at the Senior Outing at Disneyland and the prom at the hotel remain with them as happy memories. The Senior Breakfast, the announcement of Pete and Polly Pirate and the Jack Robinson Award winners, the Senior Mothers' Tea and the All-night Party are all events that form an important chapter in senior life.

Commencement! The beginning! Although it may seem like the end of many things, it is the beginning of even more. Seniors sit on the field on Graduation Night with mixed emotions of both sorrow and joy—sorrow at the loss of old friends and joy at the prospect of making new ones. Here ends an important chapter in their lives—their four years at Paramount High.

Juniors Elect New Crew

After having the same people as officers for a few years, in 1974 the juniors voted a new crew into leadership.

Adding a new dimension to the Juniors' activities was the Girls' Interclass Flag Football game. After defeating the freshmen, the juniors went on to defeat the sophomores to become P.H.S. champions. Juniors were involved in other activities such as Wacky Olympics, candy cane sale, spaghetti dinner, sponsoring sock-hops, and the Boys' and Girls' Interclass Basketball games.

Students Show Creative Workmanship

Many juniors enroll in lithography classes, taught by Mr. Lester Lundeen. Photo Offset Lithography was introduced to PHS in 1960. PHS has been using the newer method, while other schools are still using hand-set type and letterpress printing. Our lithography classes print our school newspaper, the Porthole, and the programs for the sports events. There's also a Vocational Lithography class that does jobs for other schools.

Juniors Put to the Test

All juniors were required to take the Comprehensive Test of Basic Skills designed to measure ability in Math and English. If the student scored below the eighth grade level, he is required to take Communications IV and General Math in Twelfth grade.

Many juniors planning to attend college took the Scholastic Aptitude Test, which is designed to measure verbal and mathematical skills.

Juniors Take to the Road

More and more juniors are buying cars of their own. They seek out jobs for a little spending money. Soon they realize that they can't get around without "wheels," so their spending money goes for payments on a car. Troubles soon begin: no gas money, flat tires, getting hit, and other mishaps. All in all, it's worth the agony.

Juniors Order Rings As Sophomores

The Class of '75 was the first to order their rings when they were sophomores. They were ordered in the late spring of '73. October was an exciting month for the many juniors receiving their rings. Juniors chose the Classical from a variety of different styles.

Another achievement by the juniors was taking second place in the Volkswagen Race, held at the Wacky Olympics. Their Volkswagen was entered as a turkey for Thanksgiving. The junior class showed enthusiasm in all of the Wacky Olympic events—grabbing pennies, stuffing longjohns with balloons, running backward, not to mention the others. It was a week of spirit, enthusiasm, and fun!

Sophomores Order Rings in Spring

The highlight of the year for the class of '76 was the ordering of their junior rings in the spring. This may become a tradition for sophomore classes. Also on the agenda was the receiving of the famed sophomore sweaters. One of the main events during the school year was the winning of the Spirit Stick and Cool Stool during Spirit Week. All these things were made possible with the leadership and supervision of the sophomore class sponsor, Mr. Robert Broyles, and the first and second semester officers.

1. Interested sophomores listen to the "Ring Man." 2. Tony DeVito accepts Cool Stool from Commissioner of Rallies, Allena Nestor. 3. Soph sponsor Mr. Robert Broyles observes a class council meeting. 4. Man from Josten's shows different ring styles to sophomores. 5. Sophomores wait tensely for winners of Spirit Week competition to be announced. 6. Sophomore Rocky London enjoys a cream pie.

Sophomores Hit the Road

Sophomores look forward to being able finally to get behind the wheel in PHS's driver training program. This year there were no major accidents, just a few terrifying moments for the ever patient instructors who were always there, ready to, if necessary, slam on the brakes when one of the students fails to notice the red light fifteen feet ahead of them...

Sophomores Strive to Be Bilingual

This year has seen sophomores involved in more diverse aspects of P.H.S.'s Spanish program than any previous year. Besides having many sophomores in Spanish III busily learning their conversations and conjugations, several are helping Mrs. Virginia Nelson as teacher assistants.

Sophs Win Spirit Stick

"We are Soph-mores! We are Soph-mores!" was the cry heard all during Spirit Week along with moans of "Boy, do I feel sick", and "Where's the Alka-Seltzer?" Such moans were perfectly acceptable considering the class of '76 won both the malt-drinking and cracker-eating contests. After this year's Spirit Week, it can no longer be doubted that two hundred years ago, when the phrase "Spirit of '76" was coined, the founding fathers had people like the sophomores in mind.

Sophomores Experience Scramble

Sophomores added their part to the confusion and complexity of the scramble system. The bewildered expressions of various sophomores reflected their feelings about the system of scrambling for their history classes. Some complained, mainly because they were the students who twisted their ankles. Many will go out for Cross-country next year in preparation for the next scramble.

Freshmen Take Things in Stride

The class of '77 found themselves more involved in money-raising projects and school activities at the senior high than that at the junior high. Sponsoring their first sock-hop, the freshmen found it a challenge to make all the necessary arrangements. Besides sponsoring sock-hop to make money, the class sold Valentine suckers and attended the television program "The Newlywed Game."

Frosh Find PHS Overwhelming

Having been introduced to Paramount High, the class of '77 found high school life more stimulating than junior high. Participating in sock hops, selling suckers, and making the trip to "The Newlywed Game" were activities of the freshmen.

Frosh Organize Sock Hop

Sponsoring a sock hop was a new experience for the freshmen. They got a band called "Blue Pacific" to entertain, and they bought refreshments to sell also. Besides sponsoring their own sock hops, they also enjoyed going to dances held by other classes.

1. Students dance at one of the October sock hops. 2. Debi Lopez and Diego Cobo rock out at one of the sock hops.

A Freshman?

Contrary to popular opinion, the frosh are making an important contribution to life at PHS. Without freshmen the ninth-grade social studies classes would be very small indeed. Now the year has come to an end, and upperclassmen won't have the '74 frosh to kick around anymore. But next year's sophomores can break in another set of freshmen.

New Trend in Porthole

The Paramount Porthole enlarged its staff this year to include a younger group. For the first time, the freshmen were allowed to be on the staff, and they proved to be healthy, adaptive writers.

Mr. Benjamin Dodd, Porthole advisor, said during its history it has supplied training and experience for many Pirates and journalism scholarships for about twenty students to date.

Jolly Roger Adds Color and Frames

Under the direction of Co-editors Denise Hewitt and Clint Hooper, the 1973-74 Jolly Roger Staff had another busy year. Assistance from Associate Editor Allena Nestor and Adviser Mrs. Jennieve James came in handy many times throughout the year, at deadlines especially. For a first in PHS history, the staff decided to use a full-cover picture, which was taken in the Sierra Mountains by Mr. Gene Myers. For a theme, the staff wrote and received permission from the Moody Blues for the use of the "Seventh Sojourn" Album, around which the staff developed the theme, "Isn't Life Strange." Using sixteen pages of color in the beginning of the book and fifty-six pages of spot color, the staff created a bright, cheerful effect. The frame device was a unifying motif throughout the book, and the use of Engraver's Brown ink was also new.

New Ideas Add Variety

New activities highlighting the year for Girls' League were the selling of Santa Grams during the Christmas season and the traditional Pirate Grams along with pink, red and white carnations on St. Valentine's Day. As usual Girls' League sponsored the Sadie Hawkins dance, which took on a popular western theme. A candy sale was held in February to raise money for future Girls' League activities.

There was considerable sadness however at P.H.S. during the month of January due to the death of one of Girls' League's fine co-sponsors, Mrs. Diane Huth. The year was completed with Girls' League being guided by Miss Elaine Burdell, the other co-sponsor.

Upholding Tradition of Service

To continue their tradition of serving both school and community, Corsaires ushered at Back-To-School Night and served at various dinners. Presenting lockets to the Homecoming queen and her court was one of the traditional activities held during the year.

Their fund-raising activities included the selling of champ tags, which also helped to promote spirit on campus, and the Donkey Basketball Game.

Clubs Cooperate Through ICC

Aiming to coordinate the activities of the various clubs at Paramount High, Inter-Club Council is an important if quiet part of the activity life on campus. During the first semester, ICC sponsored Club Day to introduce this year's organizations to Pirates. The second semester was highlighted by the successful ASB candy sale, a fund raising project open to all clubs. Sponsored by Mr. Dennis DeNeve, and led by ASB Vice-Presidents Frank Risky and Allena Nestor, ICC was effective in coordinating campus activities through the year.

1. Club presidents listen as the ASB candy sale is discussed at an ICC meeting. 2. Sponsor Mr. Dennis DeNeve checks his calender in preparation for the candy sale. 3. Allena Nestor, Vicki Rittermal, Clint Hooper, and Jo Jean Zimmerman discuss club participation in the Sadie Hawkins dance. 4. Campus Life, one of this year's most popular clubs, is just one of the groups represented in ICC.

Key Club Helping Out

During one of its slower years, Key Club still had some interesting goings-on. Early in the first semester four spirited young ladies made a bold attempt to enter the all-male organization but were unsuccessful. Members busied themselves by serving at PTA meetings and collecting money for the Muscular Dystrophy Association of America. Later in the year they opposed the Corsaires in the donkey basketball game.

1. Steve Teutscher and Dave Taborsky take physically handicapped children on a visit to a local amusement park. 2. Mr. Edward Sirotnak, sponsor, discusses activity plans with members. 3. President Clint Hooper and Eric Matsumoto talk over club issues. 4. Steve Teutscher listens to John Kelton's comments on "Keynotes," the club magazine. Members are Neil Chitwood, David Winn, Wayne Wilson, Jim Martin, Joe Burke, Jerry Davis, Steve Teutscher, Dave Taborsky, Eric Matsumoto, Clint Hooper, John Kelton, Robert McCulla, Frank Risky, Adrian Tol, Hector Gamez, Bruce Bonanomi.

New Breed on Campus

New Breed Club started the year by electing Miss Yolanda Carranza as their fearless leader. Because of lack of interest in some of the school activities, the club didn't sponsor anything. Next year with additional freshmen coming in, new ideas may be brought in to perk up this club.

Members of the New Breed Club are: Yolanda Carranza, President; Linda Saavedra, Vice-President; Debbie Magana, Secretary; Martha Jimenez, Treasurer; Victor Zavala, Sergeant-at-Arms; Mr. Charles Courdy, Advisor. Other members are: Debra Austu, Frank Carranza, Addie Casarez, Teresa Casarez, Annette Celiz, Richard Diaz, Terrie Guevara, Debbie Guillen, Lorraine Hernandez, Lucy Hernandez, Lizie Jimenez, Nila Lopez, Annette Martinez, Gloria Mata, Alice Mendoza, Linda Moya, Chatty Munoz, Dean Munoz, Miguel Ojinaga, Josie Ponce, Mary Ponce, Virginia Ponce, Alice Reyes, Margaret Romero, Barbara Saiza, Deane Sotelo, Gloria Tamayo, Maria Tamayo, Valerie Valenzuela, Mary Vasquez, Reyna Vivian, and Josie Zavala.

1. Advisor Mr. Charles Courdy assists President Yolanda Carranza in making new lists of activities. 2. Sergeant-at-Arms Victor Zavala keeps Mr. Courdy in line. 3. Sergeant-at-Arms Victor Zavala, Treasurer Martha Jimenez, Advisor Mr. Charles Courdy, Secretary Debbie Magana, and Vice-President Linda Saavedra. 4. Members of the New Breed Club discuss elections of new officers.

VICA Looks to Future

This year VICA lacked membership, but discussed changes to arouse interest in vocational education in the future.

1. Phillip Hawkins preparing to make a plate in printing. 2. Mr. Ray Smith shows members club policy. 3. Pat Shay finishes an assignment in Vocational Lithography.

ACT Comes on Strong

ACT started the year slowly but activity picked up in the second semester as members became involved in fund-raising activities and a spring production. Leading ACT was sponsor Ms. Josie Sprague, President Karen Hicks, Vice President Darlene Demings, and Secretary Kathy Lewis. Though several productions were planned, few got off the ground because of lack of interest.

4. President Karen Hicks addresses members at snack meeting. 5. Kathy Lewis goes about her duties as secretary. 6. Club sponsor Ms. Josie Sprague and V.P. Darlene Deming looks on as Kathy Lewis reads the minutes of the meeting.

Skiing and Ski Club Gain Popularity

As skiing became more popular this year, more students showed an interest in joining the Ski Club. The club acquired more members than last year, and the skiers first trip was to Holiday Hill Ski Lodge. With the leadership of Mr. Richmond Dunn as sponsor and Tony Amaro and Debi Bevan as presidents, the club had an exciting year.

SKI CLUB MEMBERS are Mr. Richmond Dunn, Sponsor; Tony Amaro and Debi Bevan, presidents; Tito Cruz and Holly MacDonald, vice-presidents; Sue Harrelson and Lauren Paisley, secretaries; Pam Stoner and Terry London, treasurers; Rachelle Fopma, historian, Kathy Amico, Bridget Barnabie, Bruce Bonanomi, James Christy, Carrie Coffey, Jayne Emens, Randy French, Rich French, Teresa Gravely, Mike Koday, Debbie Lamb, Rob Landers, John Lee, Rocky London, Robert McBrearty, Mary Lou Medrano, Richard Niemeyer, Paula Peters, Lucienda Pitts, Erin Quinn, Juanita Rodriguez, Phyllis Rokus, Randy Scott, Cindy Smith, Toni Souza, Robin Sullivan, Jim Toso, Rick Tuthill, Bernardo Urrutia, Walter Wilson, and Jo Jean Zimmerman.

Queens Join Knights

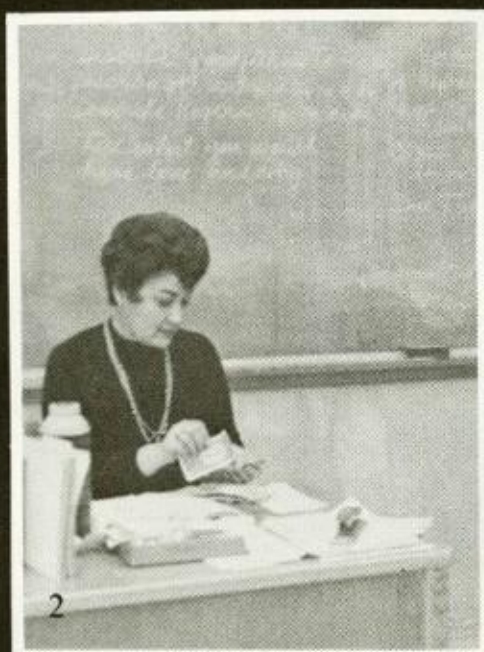

This year for the first time, the P.H.S. Chess Club has recruited females. The girls proved to be competitive and enthusiastic. The club has no plans for competition with other schools, but they compete among themselves after school.

1. Mr. Russ Murphy is the club's sponsor with Eric Matsumoto as the president. Members are Debbie Baylie, Brian Cole, Bob Crane, Kevin Crane, Glen Goodgion, Debbie Kistner, Ronald Loughmiller, Eric Matsumoto, Sandra Miller, David Moody, John Postma, and Richard Rogers 2. Mike Madden makes a carefully studied move. 3. On-lookers watch as Eric Matsumoto demonstrates his skill at chess. 4. Brian Cole moves his bishop to take Glen Goodgion's knight.

French Club Lends a Hand

French Club and Spanish Club combined efforts this year in an all-out attempt to raise enough money to send Paramount students to Spain to study there. When Spanish Club needed help, French Club was ready and willing to lend a hand. Other activities included a Christmas dinner at Salvatore's Restaurant, trips to Holiday Hill, Disneyland, and a scary excursion to the Campus Life Haunted House.

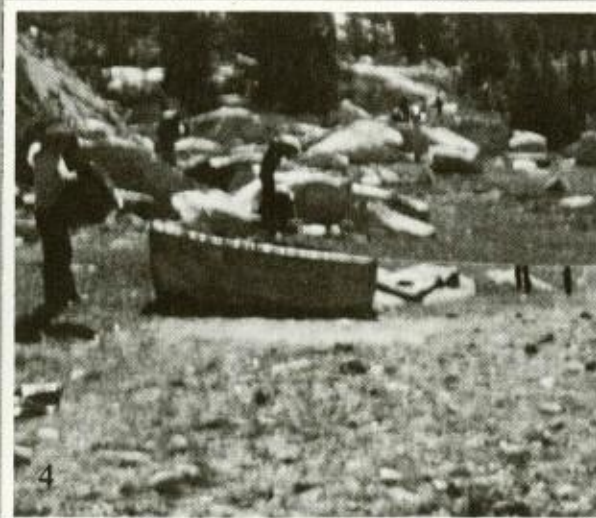

1. President Olga Goss discusses trip to Disneyland. 2. Sponsor Mrs. Alice Newton counts French Club treasury. 3. Vicki Rittermal suggests fund-raising ideas. 4. Teresa Lujan discusses plans for French Club. 5. French Club members make plans for future outings. 6. Genevieve Goss and Sharon Hazelton at snack meeting.

Pirates Head For The Hills

The Wilderness Ecology Club continued through the summer months by attending the Wilderness Survival course. This class prepared students for the backpacking trips taken last summer. Mr. Gene Myers and Miss Elaine Burdell took the girls, while Mr. Stuart Walling and Mr. Daniel Kimball took the boys on the John Muir Trail for fourteen days.

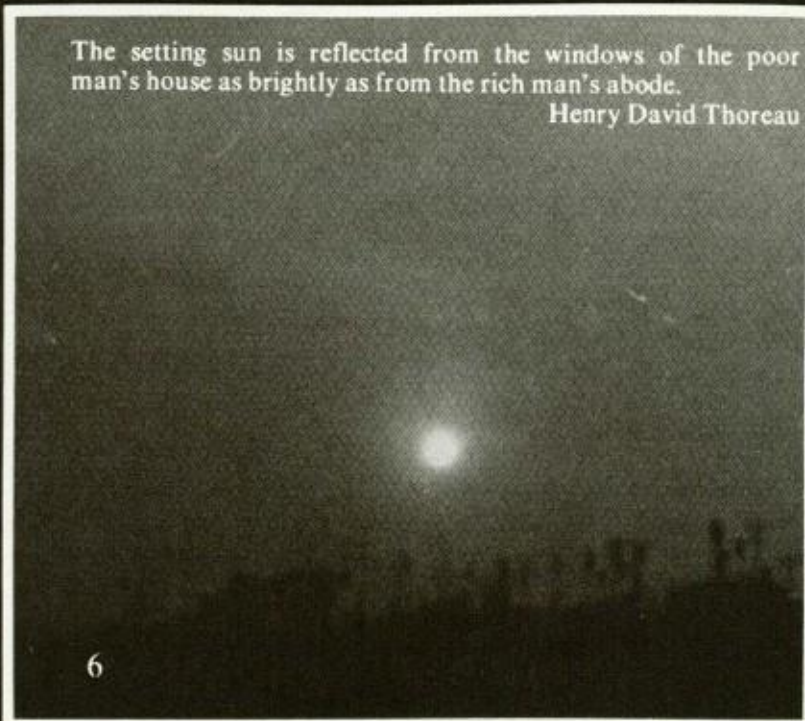

Hikes were few during the school year because of transportation difficulties. This did not dampen any of the Pirates love and concern for the American wilderness.

Plans were made this year for boys to be accepted into Future Medical Leaders, which before consisted only of girls. To broaden their experience, the new sponsor, Mrs. Lorraine Altruda, made it possible for members to work at the Compton and Paramount Health Departments. At the end of the year they had their annual graduation ceremony where Mr. Don Jones, the vocational education supervisor, awarded the certificates of completion of the one-year program.

Spanish Trip in '74?

Doing new and interesting things this year boosted the Spanish Club's membership. Many new ideas were initiated, including long-range plans to send a student or two to Spain during the 1973-74 school year. One of the goals of the club was to learn more about the Spanish customs and way of life, and a trip to Olvera St. in Los Angeles provided a vivid picture of this colorful life style.

The Paramount Sister City Club not only exchanged students with Tepic, Mexico, but they also entertained them with various outings and activities. The highlights of the year were trips to Disneyland and Knotts Berry Farm. Potential Lawyers See Action

Sitting as jurors in a Moot Court in Orange County was the first activity this year of the Barristers' Club, the law club of PHS. Other events during the first semester were a sheriff's ride-along and a candy bar sale, which was successful as a fund-raiser. Second semester plans included a second round in court, a party for all members, and a mountain trip.

Almost all members of the Barristers' Club are potential law students. Besides being a teacher, Dr. Allan Kersch, the club sponsor, is also a lawyer.

Letterettes Reorganize

A popular club on campus this year for girls in GAA was the Letterettes. Letterettes had been a club in the past, but in the last couple of years had been inactive. This year, under the direction of Miss Evelyn Dyer and Miss Marcella Schug, the club sponsors, it has been reorganized.

The purpose of this club is to provide the Letterettes with a chance for recognition in the sport in which they choose to participate.

Among their activities this year was a fund-raising project to send some of the girls to summer camp. To end their '73-'74 year, they joined Varsity Club in an Awards Banquet given by Boosters Club.

1. Club Officers: Secretary Pat Mulrooney, President Mike Rohfeld, and Treasurer Deanna McKoon. 2. Sponsor Dr. Allan Kersch discusses up-coming events with members. 3. Surf's up at PHS

One of the new clubs on campus this year was Surfers' Club, which was started second semester by Randy Nunez. The club's purpose was to promote surfing ability and to give recognition to PHS surfers. Their activities during the semester included a surfing contest in which awards were given to the best surfers and successful trips to both Huntington Cliffs and Newport Beach. Working together under sponsors Colleen Fredrickson, Randy Nunez, and Mr. Herbert LaBin, Surfers' Club members sold candy and raffle tickets as fund raising projects.

Speech Club Reactivated

Waiting for the Manhunt to start, students catch up on the latest happenings before a meeting. 7. Students contemplate Sponsor Don Villela's words at an Insight Meeting.

New Campus Life Shocks PHS

"I can still feel it," said Al Arnone ten minutes after sitting on Campus Life's famous electric chair. The CHAIR, as it was affectionately called, was just one of the many things introduced to PHS with the new look of Campus Life.

Now directed by Youth For Christ International, Campus Life's schedule consisted of Impact and Insight meetings on alternating weeks. Impact meetings were light-hearted, and they opened with an ice-breaker, which was all too often the CHAIR, followed by a discussion on timely subjects relevant to the students at Paramount. The discussions were keyed to help the students find answers to some of the confusing aspects of life. Many stu-

dents have been helped through these discussions.

The Insight meetings were more serious, consisting of Bible studies for those who wanted to find a closer link with God.

Campus Life was more involved in activities this year, starting with the inter-school "MR. UGLY" contest in October, along with a trip to the Haunted House. Then came Mud Bowl, flag football ankle deep in mud; Living End, a three day New Year's party in the mountains; George's Birthday Party, a Baja trip for the boys and canoeing on the Colorado for the girls.

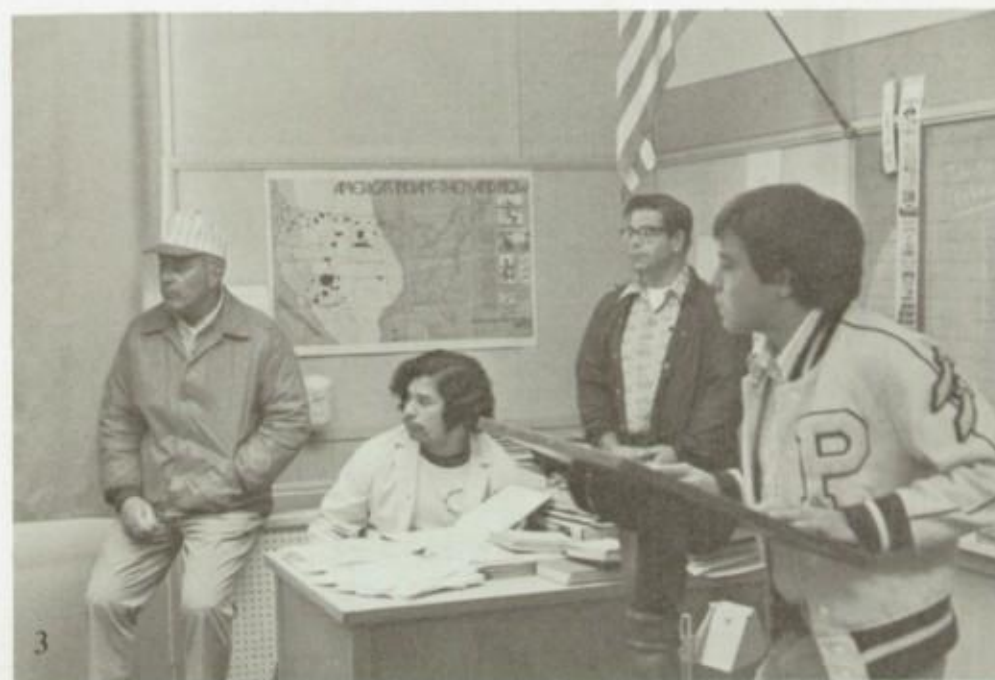

For eternity,
Let's be God's children,
And live in perfect peace.
Someway I know I'll see you shining
When you're a free man again
Yeah . . .

1973-74 Sports Review

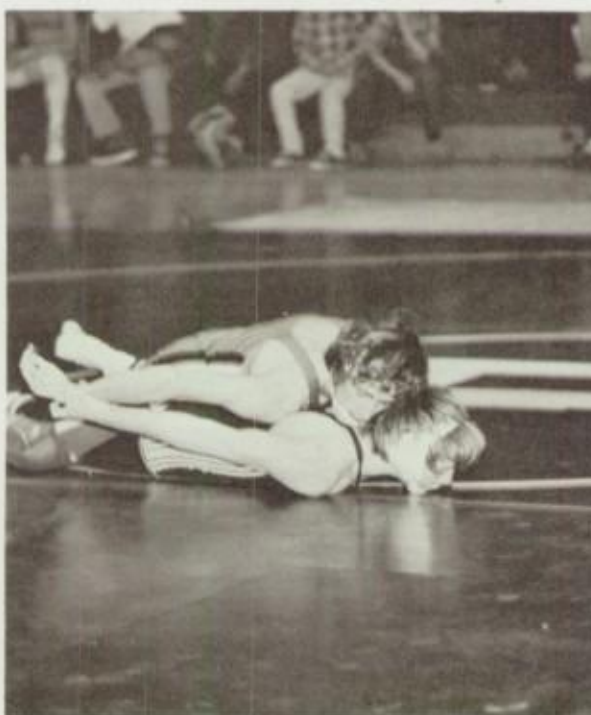

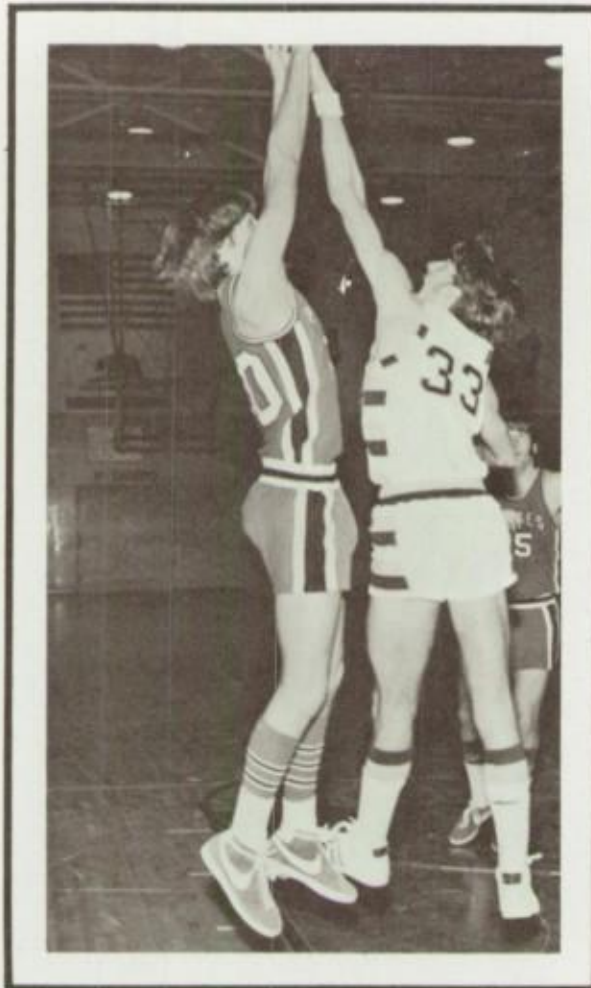

Fall Sports

It was another dismal season for varsity football as they again went 0-9. Bright spots included the effective passing of Sophomore Tony DeVito and another brilliant year from Senior pass-catching star Mark Attebery. Mark was chosen to the All-San Gabriel Valley League first team as an offensive receiver and for his skills as a defensive back. The sophomore and freshmen football teams both had winning seasons, giving coaches and players incentive for the coming years. Cross-Country rebounded from their disappointing 0-9 season of a year ago, due largely to the running of Sophomore Tom Risky. A young Junior Varsity team gave hopes for better years for Cross Country.

Winter Sports

The Winter Sports brought home more championships to Paramount than in any previous years. The varsity basketball team won the league title for an unprecedented second straight year in addition to reaching the second round of the C.I.F. playoffs. Four of the teams starting five were All-League players including Dave Robichaud, who was chosen as the league's Most Valuable Player. The Junior Varsity team won their league championship as well, and the Frosh Basketball team in winning their championship kept their record perfect. In two years of competing, they have won two championships.

Winter Sports

Taking first place on the varsity level and a second on the J.V. level, the wrestling program had its finest season ever. The varsity took firsts in three different tournaments, finishing with a 20-0 overall record and a 7-0 league record. Six wrestlers won first place in the league. Soccer was introduced for the first time at Paramount, and the reaction was favorable. The team competed in the Suburban League and placed two team members on the All-Suburban League team, Richard Laris and Adolfo Palafox.

Spring Sports

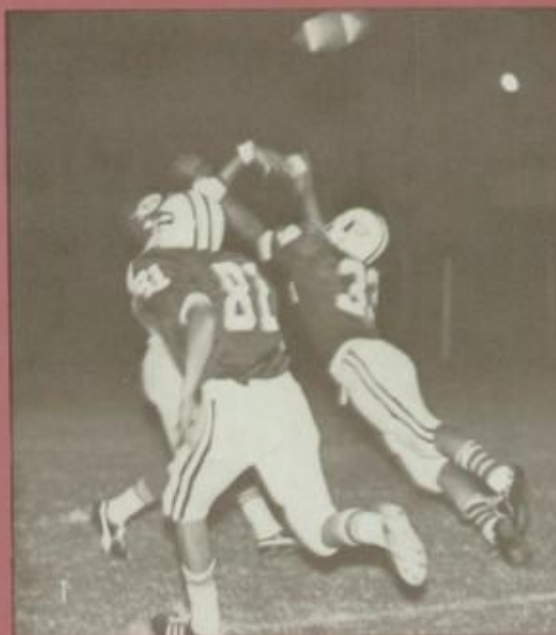

Varsity Baseball was considered a contender for the league title. Pitching was the question throughout the year as the Pirates were not blessed with an experienced ball club. Varsity tennis put its hopes primarily on its number-one man, Randy Craven, who was the team's MVP of a year ago. A strong doubles combination also sparked the team throughout the year. The Varsity Golf team has improved each year as the team continues to build. Their number-one golfer Bob Royed led the team along with Greg Boden. Track was reintroduced at Paramount after a four-year absence. Sprinters Al Ricks, Toney Smith, and Harold Bees all displayed their fine speed in the 100 and 440 yard dashes. Shotputters Audie Scheller and Rudy Solis also had a good year.

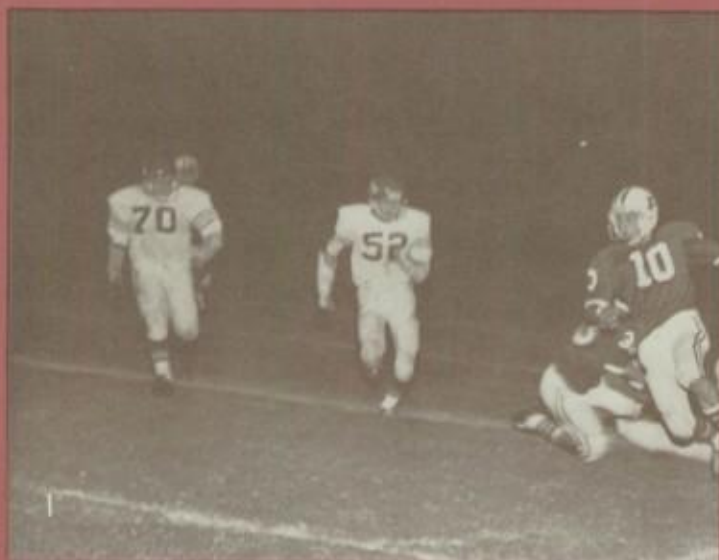

Tough Losses Slow Pirates

Disappointing is the best word to describe the 1973 Varsity Football season as once again they suffered through an 0-9 year. Although winless, the Pirates showed themselves an improved and rebuilding team. Starting the season with new coaches and high spirits, the Pirates hosted the tough Condors from Cal High. The hard work and long hours seemed to pay off as Paramount held a 6-0 halftime lead. But California capitalized on our mistakes and came out on top of a 20-6 decision. Schurr was Paramount's next opponent as the Pirates were desperately looking for a win to break their long losing streak. Schurr went out to a 10-0 lead, but Paramount quickly came back with 2 TD runs by Al Ricks and led at the half 13-10. The second half proved the Pirates downfall once again as they fell to Schurr 17-13. The Pirates didn't fall down and die however. They continued to fight and play with the spirit that makes a winning team, but lack of player turnout hurt their chances. Coach Tom Davies has instilled a good attitude in his players and talented frosh and sophs figure to make the Paramount Pirates a strong contender in the near future.

Sophs Win 5, Lose 4 in '73

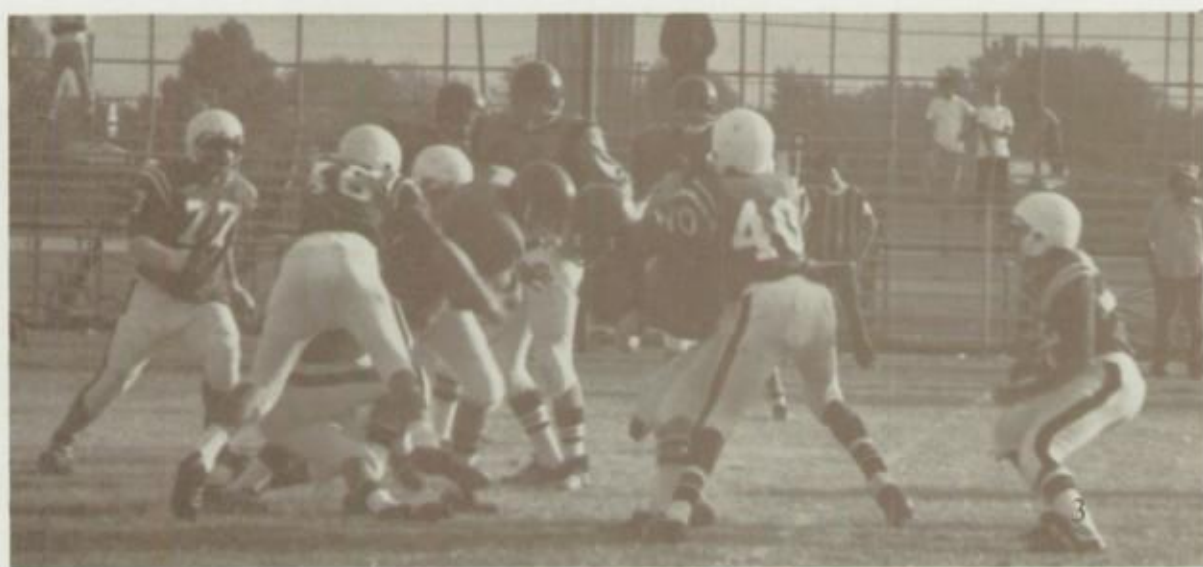

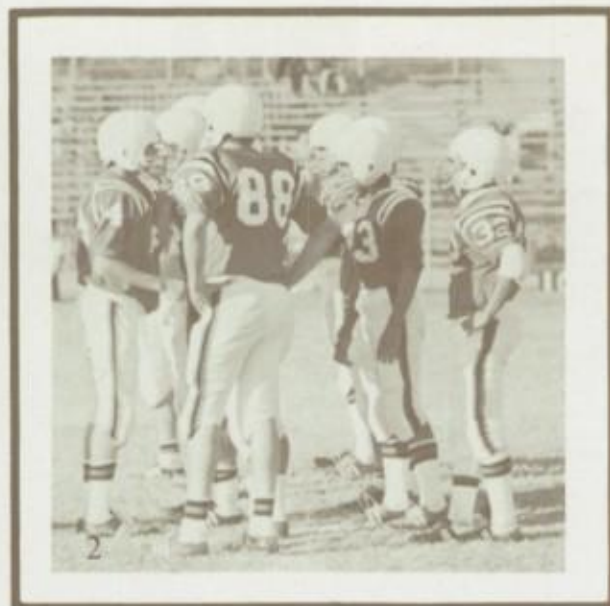

After starting the 1973 season with a tough loss to California (15-0) the sophomore football team came back to win two straight games against Schurr (8-0) and Lynwood (9-8). With the moving of starting Quarterback Tony Devito and Halfback Randy French to the varsity team, it left the sophomore team looking for new talent. Phil Wilson was brought up from the freshman team to take over the quarterback position and help lead the team through the rest of the season to finish with a 5-4 record.

Women's Lib Comes to PHS

For the first time in P.H.S. history girls participated in SGVL competition. Three girls, all juniors, ran cross country. Laureen Paisley even went to the league finals at Long Beach State College. Tom Risky, a sophomore, was an outstanding runner on varsity. Due to injuries he was not able to compete in league finals. Varsity ran a seven-man team and were strong but could not hold off other teams. New to cross country this year was Rick Sanchez. He ran J.V. and varsity. In league finals he placed second for J.V.'s. A Paramount varsity runner, Dan Aguilar, placed first in league finals, running in the freshman race. In league standing, both varsity and J.V. came in with two wins and five losses.

SGVL Champs!

The 1974 Varsity Basketball team was the greatest in the history of Paramount sports, winning 21 and losing 7 and going to the second round of the C.I.F. playoffs before losing to a superb Inglewood team 66-62.

The Pirates went into San Gabriel Valley League play with a 13-4 record and a #9 ranking in the C.I.F. The team dominated league play with only an upset loss to the Warren Bears marring an otherwise perfect league season. Paramount ended league play with an overall record of 20-6 and high hopes for the coming C.I.F. playoffs.

Paramount was matched against the Arroyo Knights in the first round of the Playoffs, a team they had defeated earlier in the year. Scott Attebery and Dave Robichaud led the Pirate assault in downing the Knights 68-52. This was the first time in Paramount history that any team had advanced to the second round of the C.I.F. playoffs. Their second round opponent was the Inglewood Sentinels, who defeated the fifth ranked Pirates in a thriller, 66-62.

Further honors were yet to be bestowed upon the Pirates as Karl Korver, Terry Lovinger, and Scott Attebery were selected to the all S.G.V.L. team along with Dave Robichaud, who also was selected as the MVP in the S.G.V.L.

Sophomores Finish 5th

1973-74 turned out to be a disappointing season for the Pirate Sophomore Basketball team. Although they had a hard time winning games, they proved to be tough competitors throughout the year. The sophomores, coached by Mr. Larry Wilk, finished the pre-season with a 5-3 record, taking third place in the Burroughs Tournament. John Blas was selected to the all-tournament team. San Gabriel Valley League play saw the Pirates struggling to win games, finishing with a 5-9 record, fifth in the SGVL standings.

Leading the team in scoring were Captain Keith Korver and MVP John Gonzales, both of whom were selected as all-tournament players in the Aviation Frosh Tournament, in which the Pirates finished second. Soccer Players Get Their Kicks

Soccer was made part of our PHS sports program after its approval by the curriculum committee and the district administration. In its first year, this new sport proved rugged and exciting for its fans. Mr. Carrol Speight took the tedious task of becoming varsity coach and in no time at all found out he had a strong team. Besides being in its first year at PHS, it also marked the beginning of Pirate participation in the Suburban League. A 3-1 victory over Gahr and a 2-0 victory over Artesia, both of which were experienced teams, built up hopes for a championship season next year.

Big Bats, Good Defense

With only four returning letterman, Coach Dan Blake had his work cut out for him for the '74 season. Pre-season play showed rough times for the Pirates, but hopes were still high for the forth-coming league season. However, the Pirates still couldn't find the winning combination in tough losses to Excelsior and Warren. Finally the Pirates put it all together to defeat La Mirada 6-2, putting their league record at a respectable 1-2. The Pirates showed strong hitting and good defense throughout the remaining games, but lack of good pitching prevented the Pirates from achieving a winning season.

Frosh Hit and Run

Under the coaching of Mr. Jim Cockrill the 1974 Freshman Baseball squad started the season well with a pre-season record of 2-1-1. Fine pitching by Phil Wilson seemed to be one of the strong points of the team. This year's team was one of the better freshman teams we've had at PHS. Impressive Record First Year

The 1973-74 Varsity and J.V. Basketball teams got off to a slow start this year. In their first practice game both teams played Brethren, and the PHS teams both were defeated. Paramount next hosted the Downey Varsity team for another practice game and was handed another defeat. The teams then traveled to Lynwood for their first league game where another loss occurred. The main advantage Lynwood had was height, not skill. The Pirates had high hopes for the rest of the season. For their overall record both teams did well. This was the first year the teams competed in C.I.F. Miss Evelyn Dyer coached throughout the season, Shari Sweet was manager, and Donna Spencer was scorekeeper for all games at home and away.

In girls' basketball there is one major difference from boys'; there is a thirty second clock in which time player must take a shot for the basket.

Juniors Win Battle of Classes

One of the new events this year, the Girls' Flag Football Inter-class game, is to become an annual one. This event was sponsored by the Junior Class. In the first game of the night the juniors played the freshmen, and the eleventh graders won by seven points. The following game was seniors versus sophomores. The game was an upset with the sophomores defeating the seniors. The play-off game was tied six all, and a tie-breaker was held where the most yards received in four plays won. Victors were the juniors. The football jerseys were borrowed from Paramount Pop Warner, and Paramount Park supplied the flags.

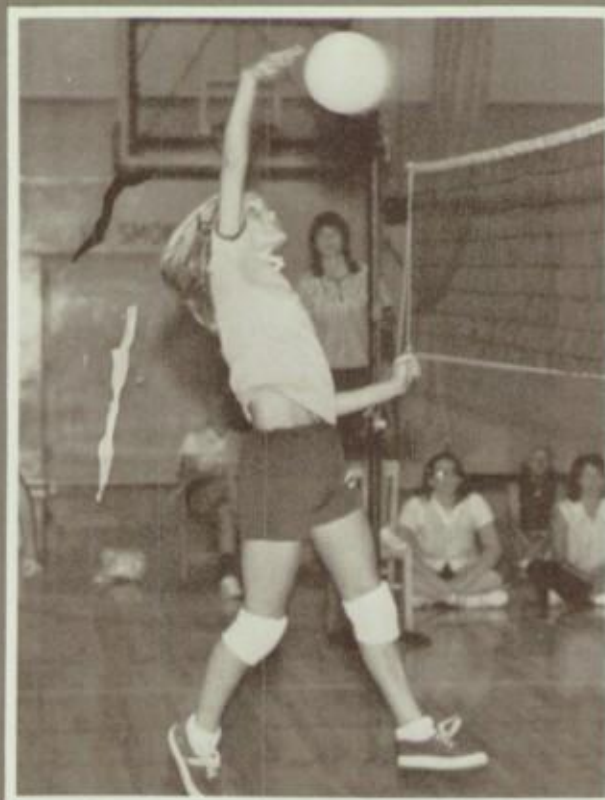

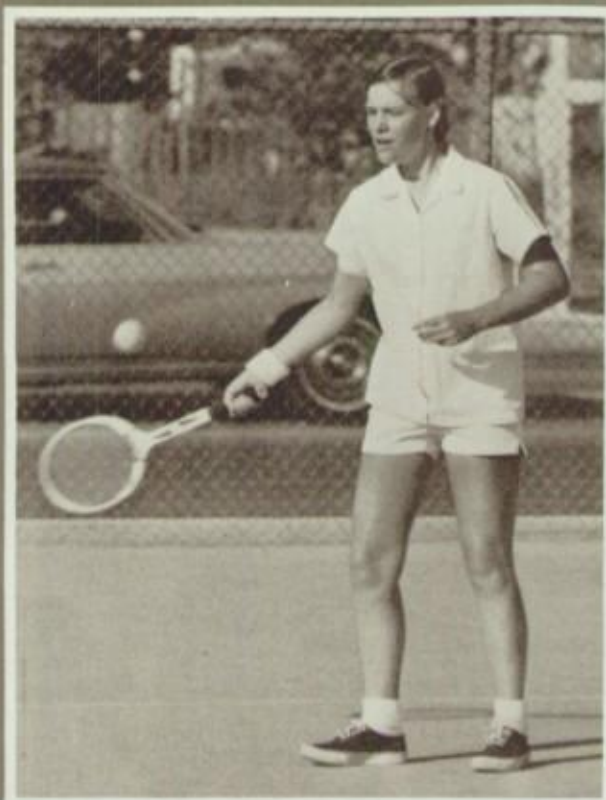

First Time in C.I.F.

Wins and losses were a big part of the 1973-74 Varsity and JV Softball teams. Miss Marcella Schug and Miss Anita Rader were varsity and JV coaches respectively. For the first time the girls were involved in C.I.F. and the competition was tough. On the varsity team Sue Harrelson supplied excellent pitching, while Debbie Saldana was the JV pitcher. The girls from the different sport teams also received maroon T-shirts from the school this year with white lettering spelling out the name of their particular sport.

1973-74 Sports Review

Fall Sports

For the first time the girls were in San Gabriel Valley League competition. The varsity tennis team ended the season with a 2-4 record. Highlighting the season was their 5-0 win over Excelsior. The J.V.'s had a 1-4 record. Their victory game was over Warren with a 5-0 score. Coach for both teams was Miss Marcella Shug.

Paramount's varsity volleyball team, led by Miss Evelyn Dyer, finished the season with an impressive but disappointing record of 3-4. In league play the J.V.'s also ended the season with a 3-4 record.

Winter Sports

Paramount's 1973 basketball team entered league play with an 0-2 record. Miss Evelyn Dyer coached the team to a 3-4 season. In a fantastic performance against Warren the team won 53-22. The J.V.'s had an outstanding season record of 4-2.

Spring Sports

The Pirate softball teams had high hopes for the season. Batting and fielding proved to be the key to the success of this year's team, led by Coaches Miss Marcella Shug and Miss Anita Rader.

The awards banquets, held at the end of each season, were new for the girls. Trophies were presented to the MVP's and MIP's.

Night Game Highlights Season

The varsity and J.V. volleyball teams both played a night game this year. A few things were different from past seasons since the game was being played under SGVL rules, and for the first time varsity and J.V. Yell were cheering for a girls' sport. At the night game Paramount varsity fell to Downey, and the J.V.'s had a victory. Another thing that brought excitement was the annual sports award banquet. In the past it was only for boys; this year the girls were invited. The girls received a letter with a volleyball on it, and two trophies were presented. Toni Bell received the trophy for the most improved, and Sherri Kiedrowski got the most valuable player trophy.

J.V.'s Finish 3rd in SGVL

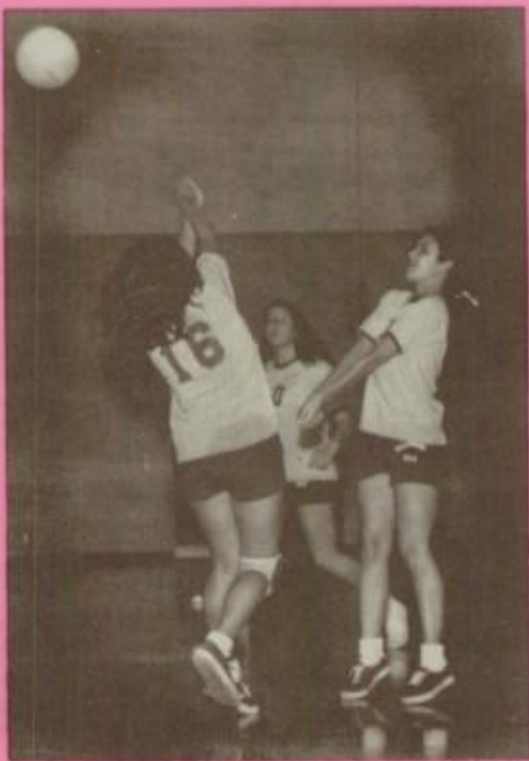

During their first year of league volleyball, the J.V.'s fared well. They ended a hard season in third place with a 4-3 record. It was a new world in sports for girls this year. Now, instead of playing just for fun and enjoyment, they were under league rules and referees. The school had to present an athlete-of-the-week award for the girls. They also had regular uniforms in P.H.S. colors, maroon shorts and maroon and white striped T-shirts. Next year the team is expecting an even better season in the league with one year of play behind them.

Trials and Triumphs of Girls' Tennis

New experiences this year for the 1973 varsity and J.V. tennis teams were numerous. A major breakthrough for girls was the scheduling of all sports players into last-period physical education, entitled G.A.A.

A disturbing thing that happened occasionally was the failure of the buses to show up. In one instance, the bus was two hours late to take team members home. However, this did not dampen the spirit of the team.

Carrie Zimmerman was awarded the Most Valuable Player trophy and Juanita Rodriquez received the Most Improved Player award.

Outfits for the tennis teams came alive this year. Instead of wearing P.E. clothes (white blouse and blue shorts) they wore white tennis dresses or white shorts and blouses.

Varsity Yell Cheers for Girls' Sports

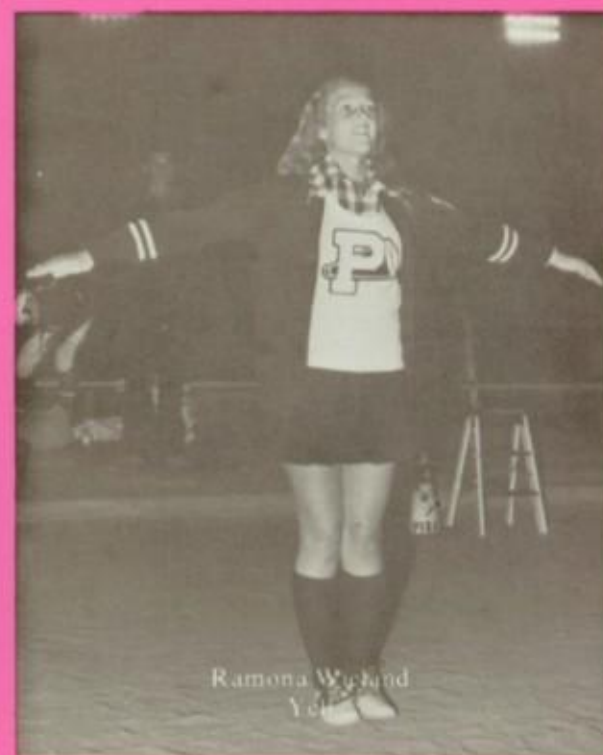

For the first time in PHS history, varsity yell cheered for girls' sports. They attended a night CIF girls' volleyball game and other CIF girls' sports. It was a new experience and was enjoyed by cheerleaders and fans alike. Varsity yell again this year attended Hibbard's camp at San Diego University. To prove how spirited the cheerleaders were, they won a spirit award at camp. They also went to a clinic at Lakewood High School. Something special that happened this year was going to Palm Springs to cheer the varsity basketball team on to victory. They carried on the traditions of giving suckers to opposing teams in football and serving at sports awards banquets throughout the year. They tried to attend as many events as possible.

Song Learns New Routines

The song leaders, headed by Teresa Valles, attended Hibbards All American Camp during the summer of '73 to prepare for the year. There they learned many new routines, and they won a first-place award for being the hardest working squad. New activities this year included performing with eight other squads at the Rams game and going to Palm Springs to cheer for the varsity basketball team. Their new song outfits for the 73-74 football season consisted of maroon and white diagonally striped sweaters, pleated skirts, and for the first time in song's history, maroon and white oxfords.

Showing school spirit, the JV cheerleaders, led by Jayne Emens, cheered for football, wrestling, girls’ volleyball, and other team sports. They also attended Arroyo High School competition with six other schools. This year JV Yell was enlarged from five to eight girls. Their outfits consisted of pleated skirts and white sweaters exhibiting the traditional Pirate colors of maroon and white.

Drill Team Brings Back '50's Nostalgia

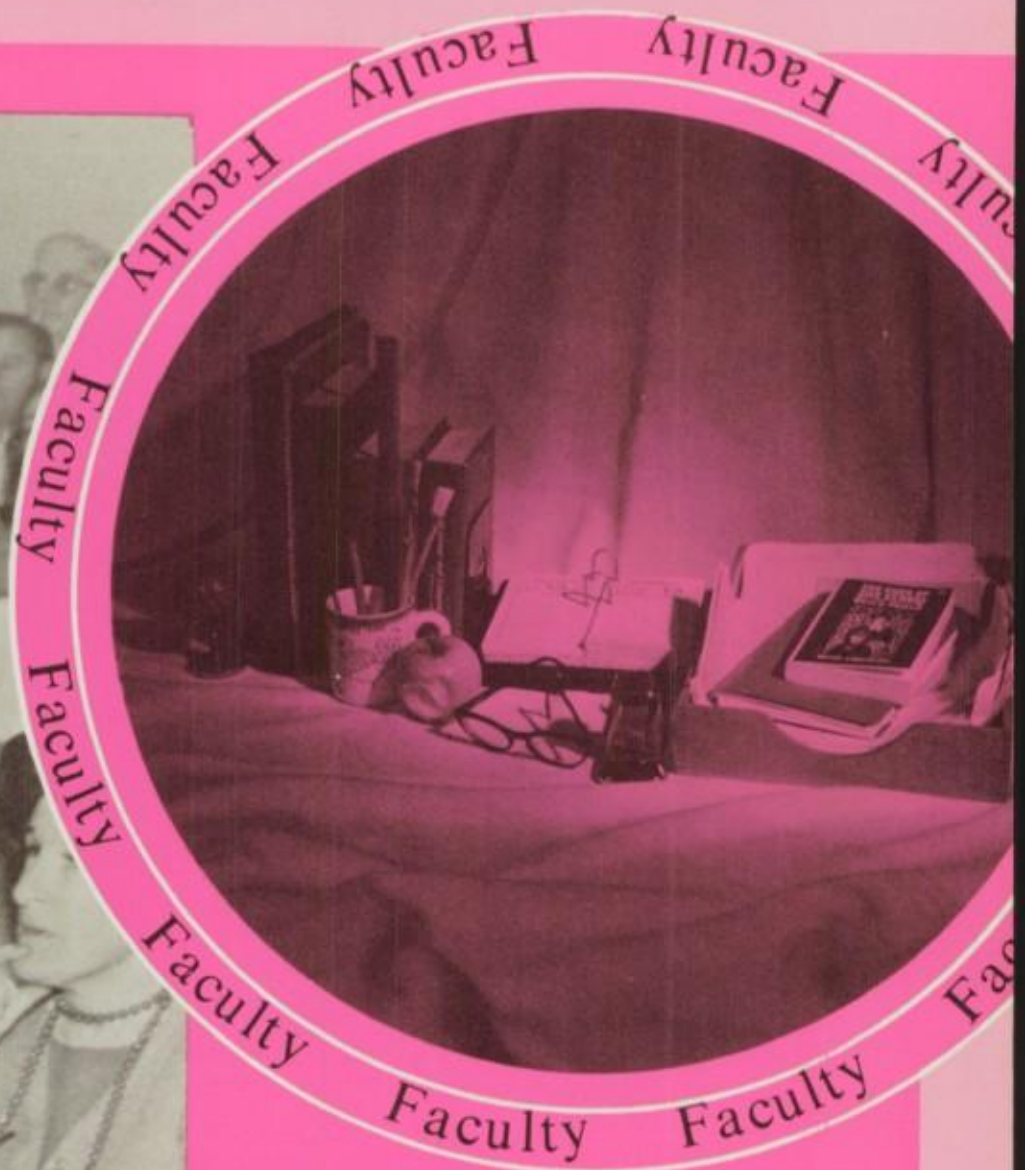

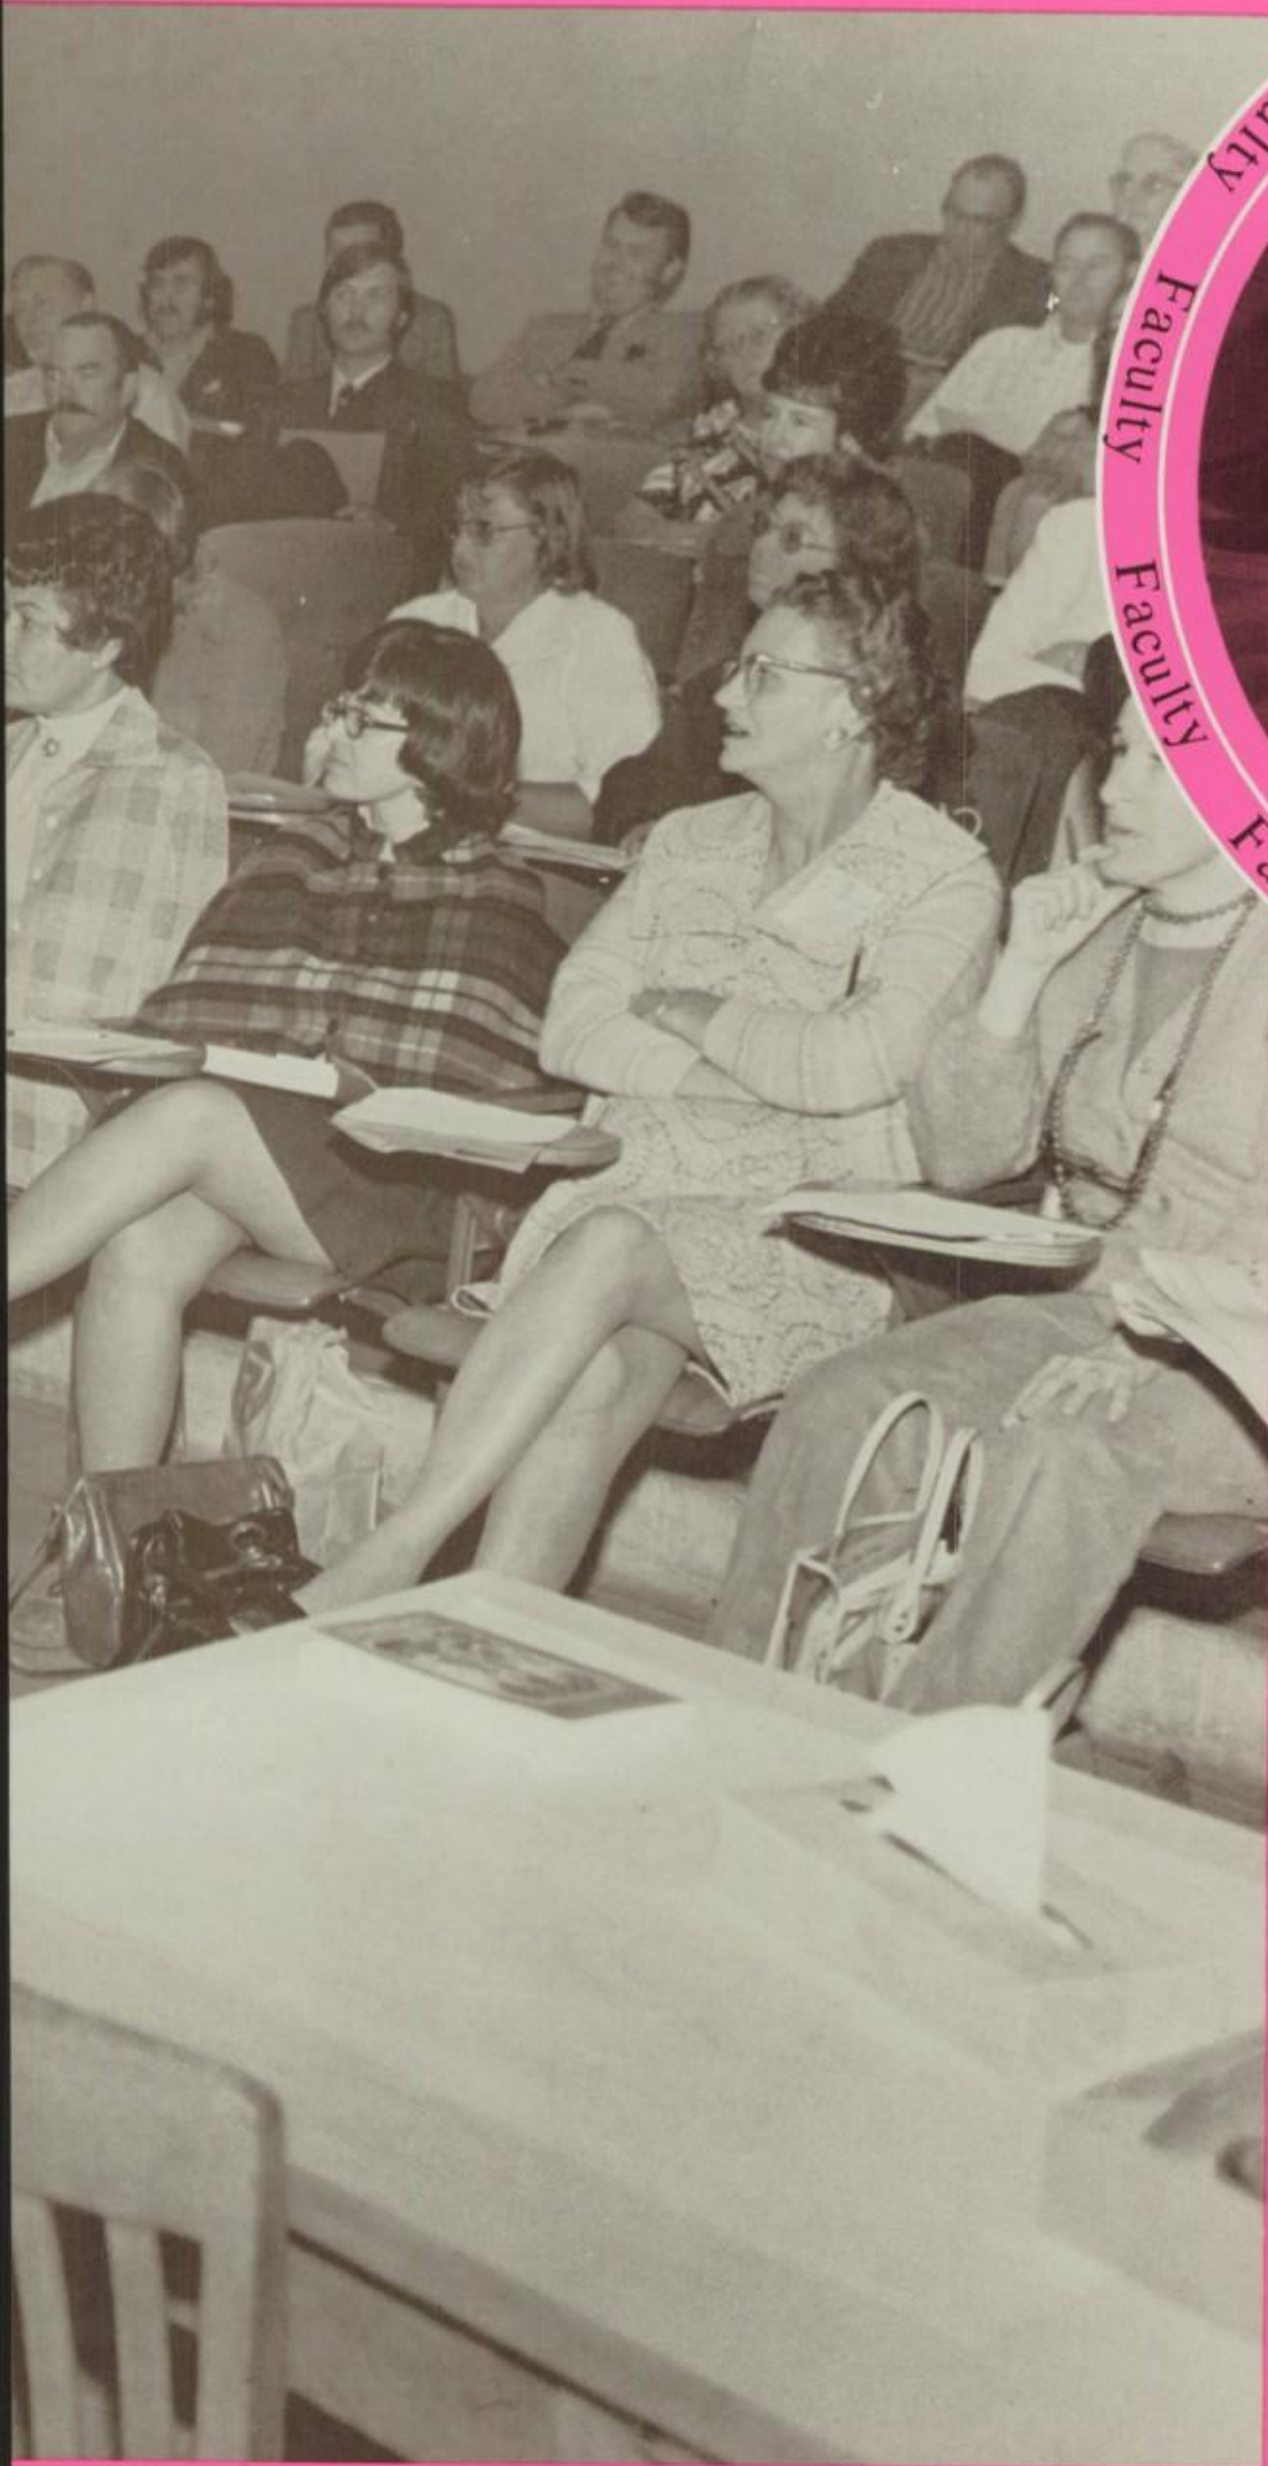

The Pacettes performed various special routines. Probably the most remembered is their fifties act. They dressed and danced the styles of that era to the songs "Rock Around the Clock" and "Rockin Robin." They also performed to "Mickey Mouse," "It's a Small World," and "Pirates of the Caribbean," from the world famous Walt Disney songs. At the homecom-

ing game they combined two themes; one was Egyptian to "Shaft" and the other with stools to the hit "Cabaret." Something exciting for the drill team this year was being asked to the Rams game for the second time. Performing under Captain Joanne Gomes and Co-Captain Vikki Smith, the Pacettes provided colorful halftime entertainment.

1. Teresa Gravley and Ava West laugh and giggle as they run into position during fifties night. 2. Pacettes wave to crowd to end their fifties performance. 3. FRONT ROW: Captain Joanne Gomes and Co-Captain Vikki Smith. ROW 2: Squad Leaders: Ava West, Teresa Gravley and Dorothy Thomson. BACK ROW: Historian Jean Preston, Treasurer Robin Clark, Squad Leaders Valerie Bishop, Pam Richards and Cheryl Anderson. 4. Many hours of hard work after school are put in by Drill Team to perfect each Friday's performance. 5. Performing to Walt Disney's, "It's a Small World" are Leslie Bowen, JoJean Zimmerman and JoAnne Carpenter. 6. Karen Reed and Virginia Gonzales display fashions of the fifties. 7. Sponsoring the Paramount Pacettes for the 1973-74 school year is Miss Glenna Fitzhenry.

You're an ocean
 Full of faces,
 And you know
 That we believe
 We're just a wave
 That drifts around you,
 Singing all our
 Hopes and dreams . . .

All we're trying
 To say is
 We are all
 We've got.
 You and I just
 Cannot fail,
 If we never
 Never stop.

Counselors Help Pirates

Can I have my program changed? Do I need two or three years of a foreign language for college? Is it possible to have my English class changed to a different period? —These are some of the questions our four counselors must answer over and over. Since there are more than 2200 students at Paramount and only four counselors, their schedule is a busy one.

New Equipment Added to PHS Business Classes

Electrical drop cords, new I.B.M. typewriters and electric calculators updated the business courses this year. This is the type of equipment found in today's offices. Every year the business classes send more students straight into jobs with no time wasted in searching. The Business Department offered a variety of twenty-one different classes, all of which developed skills in that field.

Experiment Is Tried

Four teachers—Mrs. Cevilla Homer, Mr. Dan Kimball, Miss Marlene West and Mrs. Mary Siler—taught experimental courses at PHS this year in the Special Education Department. The new classes were math, social studies, typing, crafts, special physical education for boys, and physical fitness for girls.

Paramount: City of Progress

The city of Paramount proudly celebrated its fiftieth anniversary with a parade and celebration on April 27, 1974.

It has well earned its name as the "City of Progress" with the new hospital, medical pharmacy, medical buildings, Gundry Park, and the new softball diamond at Progress Park.

Paramount Park has been very successful in many activities for the students of Paramount High School, sponsoring Teen Night in Paramount Park Gym and a dance during the Christmas vacation.

1. Paramount Rock is a city landmark, a symbol of strength and friendship. 2. This flag is located in front of Paramount City Hall on the corner of Colorado Avenue and Jackson Street. 3. A drinking fountain, designed as a lion, guards Village Park.

TO THE STUDENTS OF PARAMOUNT HIGH SCHOOL ... ON BEHALF OF THE MAYOR AND THE MEMBERS OF THE CITY COUNCIL OF THE CITY OF PARAMOUNT, MAY WE TAKE THIS OPPORTUNITY TO EXPRESS OUR CONGRATULATIONS AND BEST WISHES TO EACH OF YOU.

4. The front entrance to Paramount General Hospital. 5. Paramount Public Library is located directly across the street from City Hall. 6. City Council members are Mr. Raymond Guillen, Mr. Richard DeBie, Mr. Louie Spane, Mr. Ted Mosier, and Mr. John Mies.

Farewell...

Life, indeed, can be strange. Mixed in with the moments of success, fun, and accomplishment are times of anguish, impatience, and despair. Yet we have many cherished memories of PHS, one of which is the satisfaction of giving our best to the creation of this 1974 JOLLY ROGER. We wish to express our special thanks to Mrs. Jennieve James for her advice and guidance, to Laurie Coleman for her management of business section, and to all the other staff members for their cooperation and enthusiasm. We would also like to indicate our appreciation to Mr. Charles Pace and Pace Studio Photography and to Mr. Randy Wright and the American Yearbook Company for their help. For the use of his excellent photographs at various places throughout the book, Mr. Gene Myers receives our sincerest gratitude; and for permission for use of their "Seventh Sojourn" record album, we are very grateful to the Moody Blues and give them special recognition. We also thank all the PHS faculty and staff members who helped us at deadline times and in other "crises." In conclusion, we wish to communicate to the class of 1974 our best wishes for the future, and to the underclassmen good years at PHS.

Moody Blues
"Seventh Sojourn"

An aerial photograph of the Paramount High School campus. The image shows several long, rectangular school buildings with light-colored roofs, arranged in a U-shape. There are trees and parking lots between the buildings. In the foreground, a road with a few cars is visible. The background shows more residential buildings and trees.

Alma Mater

Arise and sing of Paramount, let hearts and voices blend,
In praise of Alma Mater whose fame shall never end.
Alma Mater, Alma Mater, fair maroon and white,
Thy sons and daughters praise thy name and journey in
thy light.
'Til truth and honor shall be found within the hearts of
man,
Send out thy light, Oh Paramount, be thou our guiding
hand,
Alma Mater, Alma Mater, now and days of yore,
The halls of fame resound thy name, in praise forever
more.

Here's to PHS

Here's to Paramount High School,
Maroon and the white,
Here's to our high school,
Ever will she fight;
In baseball, track and football,
She's a success, now all together for—
Paramount High School.
